

Gatlinburg ushered in 2010 with a bang!

The streets were packed with young and old alike to watch the fireworks and ball drop from the Space Needle on a **COLD New Years Eve** .

We have already had about 3 light snows this season with more predicted for this week. The rivers have ice along the edges and all the waterfalls are beautiful with their icicles hanging.

Recently we discovered a wonderful restaurant within easy walking distance of Johnson's Inn that has THE BEST burgers around- Mountain Edge Grill in Baskin's Square Mall (just across the Parkway from The Village Shopping area). The atmosphere is fun, the food is great and the prices are reasonable. Check it out on your next visit to Gatlinburg and let the people at Mountain Edge Grill know that the folks from Johnson's Inn sent you.

Hope you all have a wonderful New Year full of blessings.
